THE CLASS OF '66 THROUGH THE YEARS

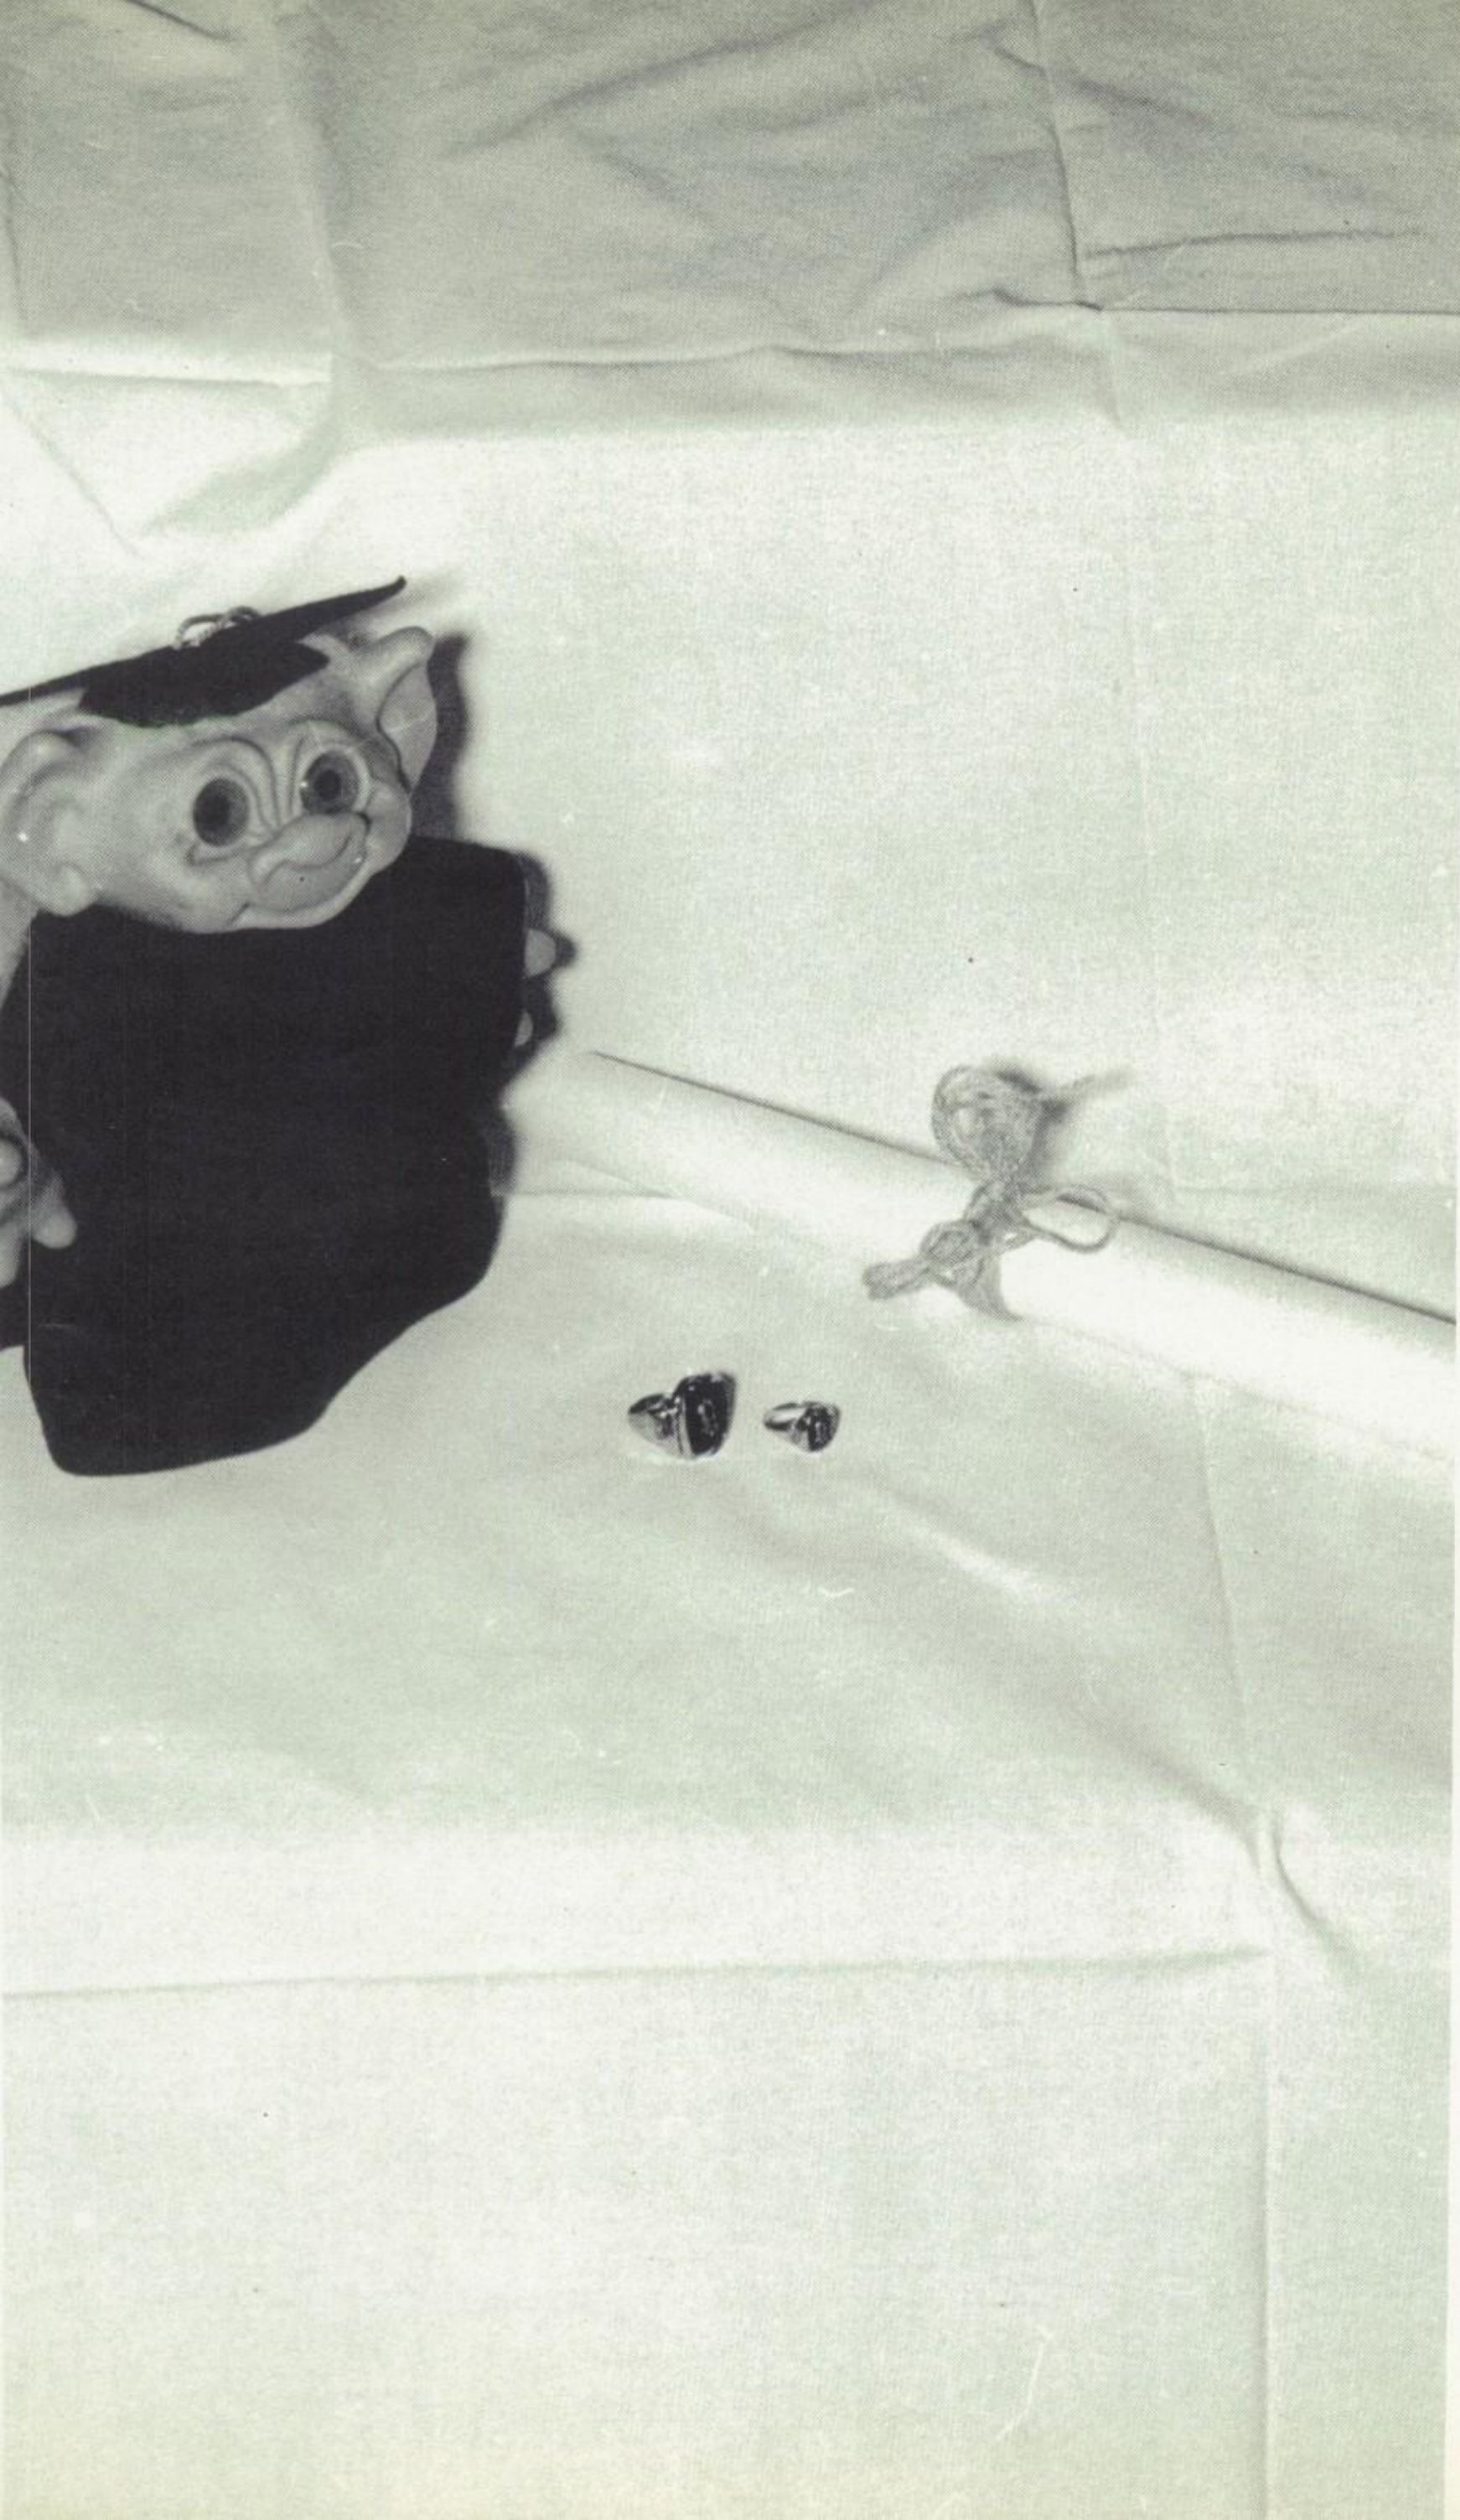

As we look back now, from the vantage point of high school, the time when we were small, scared, seventh graders seems long ago. But seventh graders we once were, and the memories of opening day jitters, so many strange faces to remember, and all those new teachers, still stays with most of us. After everyone got to know everyone else, though, we discovered that maybe school wasn't so bad as we had first believed.

In fact, as our acquaintances grew into friendships we had some pretty good times together. Like that one Junior High basketball game in ninth grade when John Ritzert and Benny Laughlin led the cheers, thereby instituting what was to become in time the Junior High cheerleading squad.

And does anyone remember the avalanche of stories that appeared in ninth grade with such unlikely topics as turtles, tigers, and mice? Too bad those stories were never published!

Our class has always been proud of the athletic achievements of the boys, but we never quite realized the athletic potential of the girls until the Girls vs. The Faculty Basketball Game held in tenth grade. Our girls were SO good that they ALMOST WON! Eleventh grade was also an exciting year, with class rings, banquets, and the prom. Especially the prom. We used four swimming pools, and nobody even got to go in for a swim.

As graduation approaches and we depart these hallowed halls, it is our hope, for the students who follow, that school will be for them the rewarding, fun-filled experience it was for us.

LOYAL HEARTS WILL NOT FORGET

Stand we here with rev'rent feeling,
Lingering, thoughtful, ere we part;
Facing life's great call appealing,
Hand in hand and heart to heart.
Cherished ties we now must sever,
Parting let us not regret.
Honest friendships last forever;
Loyal hearts will not forget.

Pleasant were the years behind us,
Lightly, freely passed the days.
May the coming years still find us
Glad through all their changing ways.
Forward then for life is calling,
Let us all its challenge greet.
Forward then what e'er be falling
Bravely life's adventures meet.

ODE TO OUR SENIORS

From the football field every Friday night, the crowd would yell, "Fight, Team Fight!" It was their way of saying, "We've got something here; Let's make it a big year." Yes, their request was answered with a season that stands out from all the rest. But now comes the task of bidding farewell to our Senior boys who played so well.

Early in the season Capt'ns were elected, and Mike and Bob were unanimously selected. Skinny, with a head full of plays, kept the team clicking in sharp quarterback ways. His powerful passing to the right man made him the pride of every Karns City fan. In offense and defense Ekas played like a pro; our halfback Bob could really go. When "Sticky Fingers" Ekas caught a pass, he held onto that ball which came so fast. When we needed yardage, you saw Cannonball Artis running through the garbage (opp.) Like a bolt of lightning he scores a 1st down, then the team really goes to town. Using Mac's hands in catching a pass, a touchdown was in sight pretty darn fast. Bill was outstanding in defensive play; he was sought after by the visiting prey.

We had an amazing line this year; not very big, but really tough in gear. Now let's see--How many have you met: Like Charlie Gamble, 140 lbs., soaking wet. A rugged guard and really tough, he let his opponent know he could get rough. With his small strong frame and his skinned-up nose, even #40 from Shannock froze. Then there's Jackie Lerch, his first year out; fought like a tiger in a boxing bout. Along with him come "Bull" Bill Miller, only 124 lbs., but a real killer diller. He had such a desire to win that no one could stop him from protecting our pigskin. Dennis Michael, quiet and small, Defensive linebacker always on the ball. When he tackled a man, he knew he was down; for this powerhouse didn't fool around. Along comes Big George, tackling so hard causing Shannock's #40 to lose many a yard; The magnificent power Coon possessed found him opening holes in lines he aggressed. We know the Bulldogs agree with this cause he tore up their line with Gremlin Bliss! Last but not least comes the "Magic Toe", Tom punted a ball that frightened every foe. His halfback ability was outstanding, he'll be missed next year with this crew.

Now he roared like a lion - was as tame as a lamb, Earned respect with every command. He's out head coach, whom everyone admires; Mr. Walkowiak, we hope he never retires. Mr. Semenko, his line coach, deserves a big hand; he produced the best line in the land. The entire coaching staff needless to say, helped these two men in many a way. Hail to our team, the very best of them all; hail to our boys, they really played ball. They proved this to us in the Avalon game, when they came out on top with a victory for fame.

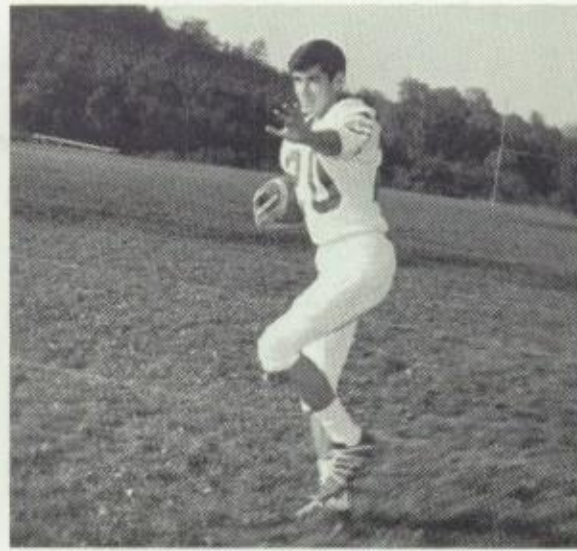

A final farewell to OUR GREAT Senior team, may the ones left behind keep up their esteem.

Although it was not a profitable season in victories, it was profitable in knowledge and experience. The team tried its utmost from September to November always giving its best.

The main function of the Junior High is to prepare boys for the varsity, and the coaches feel that some of this year's team will be future stars on the varsity. There is also fine material coming back for next year's squad. The coaches look for a better season and with hard work feel they will achieve their goal.

MIKE McNALLEN

Attention ladies, Attention gents;
A tribute to the team we now present.

As Tommy dribbles up the floor,
We know that he will always score.
If not a goal, it will be from the line
Because his playing is so fine.
He scored 38 points in the North Clarion game
To break a record and bring him fame.

With Skinny as center we always know
He will get the rebounds high and low.
As up he soars to dizzying heights
We hear the crowd yelling, "Fight, Team, Fight!"
His sportsmanship is really great.
That is something we appreciate.

We will never forget the tournament game.
Mac had nearly perfect aim.
Mac's outside shots always go in,
He always helps to make us win.
Besides all the ways he can score,
He also brings the ball up the floor.

Jim really rebounds like a Pro,
Too bad in the middle of the season he had to go.
He broke his wrist in the Brady game,
Our team will never be the same.

When Pete comes out with the intent to score
Before you know it, he is on the floor.
When a pass to him you send,
He fights for the ball until the end.
We will never forget the Shannock game,
Those 18 points came from Pete's sharp aim.

And now for the Juniors on the team,
Full of pep and full of steam.
We hope next year they win them all,

PETE SCHIDEMANTLE

And bring us victories large or small.
Ed, Denny, Pete, and Mike,
Their fine playing we really like.

Coach Sutliff directed Union's defeat,
And as basketball coach, he can't be beat.
As accounts of his victories in the papers are read
We wish him success in the seasons ahead.

For that is our team,
We think they are cool.
They are a pride to us,
And to the school.

ACTIVITIES

SENIOR BAND

The 1965-66 school year has been a full and rewarding one for the high school band and majorettes. The 99-piece group has provided entertainment at five home and three away football games; and all basketball games. It has participated in two concerts and marched in three parades. The students have contributed to the success of the band during their membership by their cooperation and their desire and demand for perfection. The band is under the direction of Mr. Robert McGinnis.

EIGHTH AND NINTH GRADE BAND

The Eighth and Ninth grade band is composed of 99 members who meet twice a week. Each school year they appear in two concerts. The prime objective of this band is to perform together to prepare themselves for Senior Band. Numerous small ensembles have been formed from this group.

Fifty-one members compose the Seventh grade band. The purpose of this band is to establish full-band instrumentation and to give them experience in playing together. This band also meets twice a week and appears in two concerts.

The Future Business Leaders of America Club provides the teachers with student secretaries. These girls are all Seniors with a Commercial background. Their duties range from taking dictation and transcribing mailable copies to typing and mimeograph-

ing tests. The Junior members work in the High School and Supervising Principals Offices. Here, they get on the job training in skills they will use after graduation.

The purpose of the Future Nurses Club is to interest students in personal and community health; to encourage them in finding out what nursing requires, and what it offers; to help them decide wisely about professional or practical nursing as their career.

The 1965-66 club has twenty members, and Mrs. Rabbitt is their advisor. Andrea Beabout acted as president, and Linda Donaldson is vice-president. Patty Knox is secretary-treasurer, and Marcia Campbell is corresponding secretary.

The club's activities included: the partial taking of a home nursing course, a field trip to Jameson Memorial Hospital, and a speaker from Butler County Memorial Hospital.

The Seniors helped with the Pre-School clinic held at Chicora Elementary School; and with the tuberculin tests administered to the Juniors.

The FTA Club, 25 members strong, has been very active this year. They sold Stadium Cushion Pillows and had a Bake sale. The proceeds from these activities were used to purchase carnations for the faculty in honor of Teaching Career Month.

Student teaching was held in late April. All Junior and senior members participated in a day of observing and student teaching.

The club had several speakers: student teachers from Clarion, and George Murdock, Assistant Director of Admissions at Clarion State College.

The club's purposes are to learn about the teaching profession, its opportunities, responsibilities, its important role in our democracy, and to foster the development of student leadership.

Membership is open to any student in grades 10 through 12 who is interested in exploring teaching as a career and who has the high qualities essential to be a good teacher.

STUDENT COUNCIL

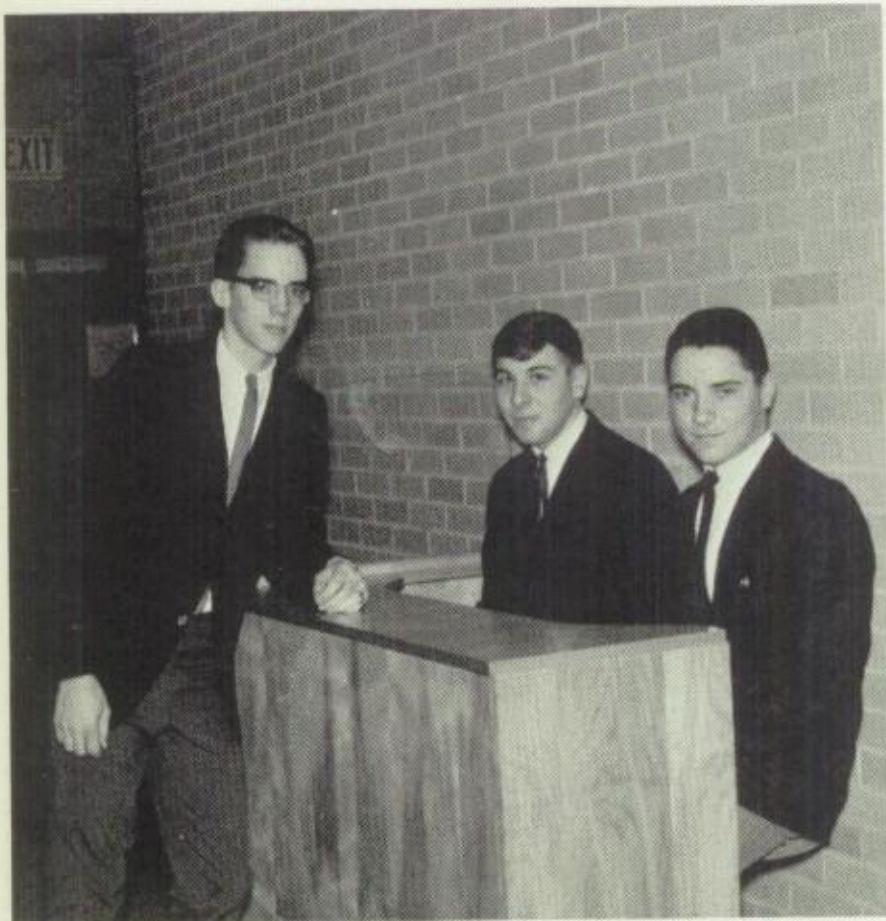

Seated: Mary Jordan, Janet Mueller, Dan Birnley, Gilbert Elliot, James Stevens, Patty Barnhart, Karen Snyder. Standing: Dr. Hillard, Robert Jordan, Mr. Fair, Walter Hillwig, Gary Ekas, Dan Callihan, Emil Lerch, Richard Corbett, Drew Bell, Mary Jo Callihan.

The main function of the Student Council is to provide learning experiences for students. Its principle contribution to learning is the development of good citizenship which is one of the cardinal objectives of the schools, both public and private.

At one time it was believed that good citizenship would necessarily result from the acquisition of knowledge and certain understandings about government and the privileges and responsibilities of the citizen. It is now known that in addition to knowing and understanding, good citizenship involves action. The organization and activities of our Student Council provide the means whereby students may practice in situations meaningful to them the things that good citizens do.

The school year 1965-66 witnessed the "maiden voyage" of the Student Council at F.T.K.C. Our newly formed organization was started after much preliminary work had been done over the preceding three years. Through much planning and deliberation we feel that we have a group which is compact enough to get something done, yet large enough to be representative of each individual in our school.

It is the hope of the present Student Council that through cooperative and understanding planning by the faculty, administration, and student representatives that the student body will make many contributions toward improving the quality of their own education.

STUDENT COUNCIL OFFICERS - James Stevens, Vice President, Gilbert Elliot, President, Dan Birnley, Secretary-Treasurer.

Under the supervision of Mr. Fair, the Student Council brought about many new improvements in our school life.

GOOD CITIZENSHIP AWARDS

FEBRUARY

Nancy Stevens and Mike McNallen

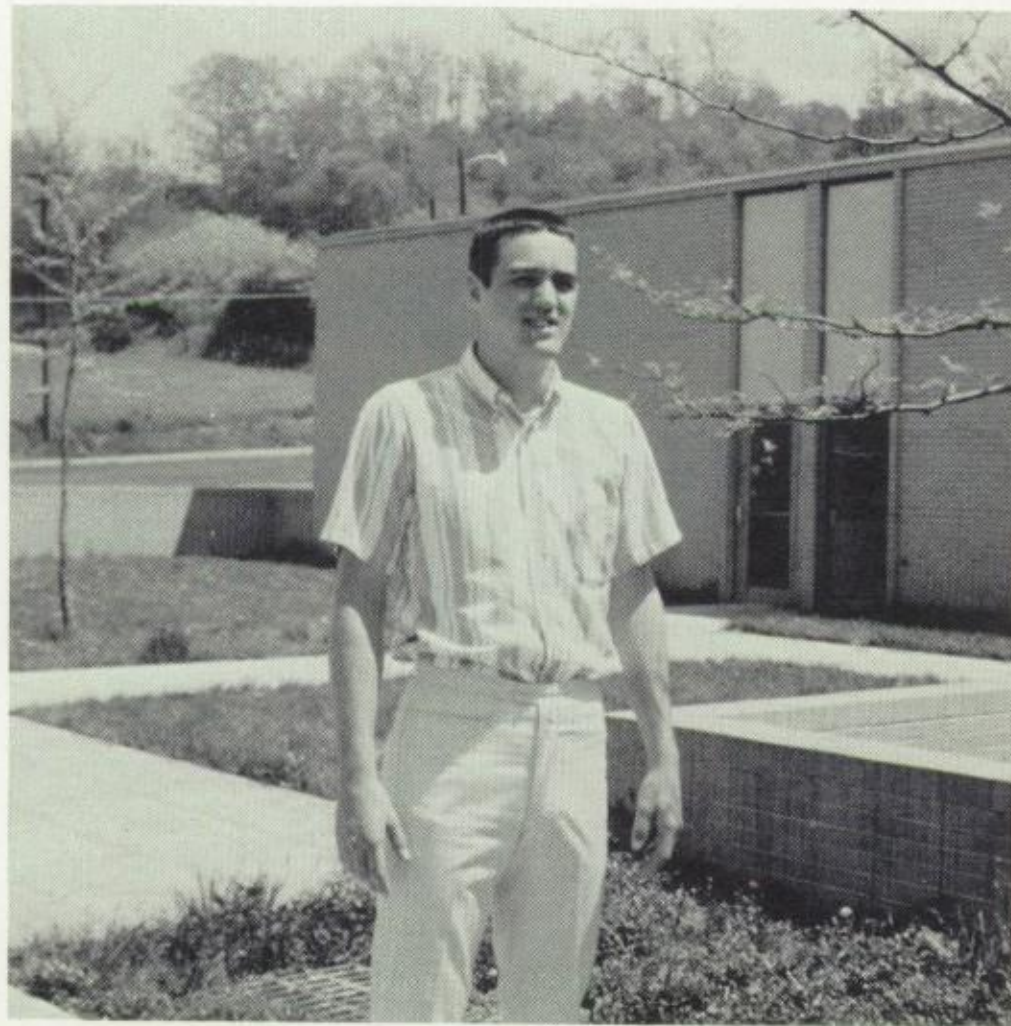

During the 1966 school year the Student Council of FTKC came upon an enlightened and effective way in which to encourage good citizenship. We did this by starting "The Outstanding Citizen of the Month" campaign. We believe the positive approach accents good citizenship rather than calling attention to the bad. The Aim of our program is to develop a school climate in which student opinion rewards good citizenship.

MARCH

Glenn Hinch and Larilyn Andre

We wish to have our students continue to practice good citizenship because they want to, rather than because they fear to do otherwise.

PICK A DILLY

Kneeling: Benny Laughlin, Gil Elliott, Bill Saylor, John Ritzert. Standing: Wes Texter, Noreen Fallen, JoAnn Caminiti, Mary Kelly, Patti Furka, Julia Reep, Patty Hillwig, Pete Schidemantle, Karen Barger, Janice Spitzer, Jeff Whitmer, Cheryl Buzard.

PICK A DILLY

When the 1966 Class of FTKC presented the comedy-mystery, PICK A DILLY by Jay Tobias, the auditorium became a "House of Laughter." As the scenes rolled out before "standing-room" audiences, Benny Laughlin hammed the acts with his usual witty (?) remarks and expressions.

Remember the "Flower" girls? How they strived to master their zany actions. After Pat, alias April Violet, mastered hers, she then discovered that she couldn't talk and twitch at the same time. Catastrophe! June Rose (Pat) and May Lily (Julie) exercised their munching abilities with gum and onions.

Then there was Pete. He certainly hated taking orders from Karen (Arvilla) and Wilbur the Brat. What's more---obeying them. He sure made up for it off stage.

There was also Noreen, alias Purina Hogg, who was as funny off stage as she was on stage. How she mastered her "crude" language is still unbelievable.

Alas! There was WOEFUL Susan Clark, portrayed by Mary, who kept everyone in a frantic for fear that her crying hysterics might turn into a fit of laughter and then toss the entire cast into an uproar---Even Amanda (JoAnn) who never even smiled.

Each performance and rehearsal proved to be different from the last--No wonder! How could anyone expect Janny's nose to be the same two times in a row or Jeff's beauty mark (?) on the cheek to appear as before. Each night a different make-up person wanted to try her luck--each night a different view of the Mad Mortician and Betsy Drake.

The others, such as Bill Saylor and Gil Elliot did an excellent job of entertaining behind the curtains as well as on stage, didn't you boys?

Last, but not least, there was Linda, the master mind behind the plot. Our Student Director.

Even with Miss Groves' fears, the dentist appointments, Senior pictures, and after school jobs, the play succeeded...and so...

Long Live PICK A DILLY.

AT GRADUATION

There's a sigh, a bit of glee
There's laughter and joy to see
There's sadness, yes a tear
When graduation time is here.

There's a new horizon to behold
There are partings, good-byes untold
There is a sadness mixed with cheer
When graduation time is here.

There's no 'tomorrows planned meeting'
There's just occasional times of greeting
There's mixed emotion most sincere
When graduation time is here.

Delbert Baker, Jr.

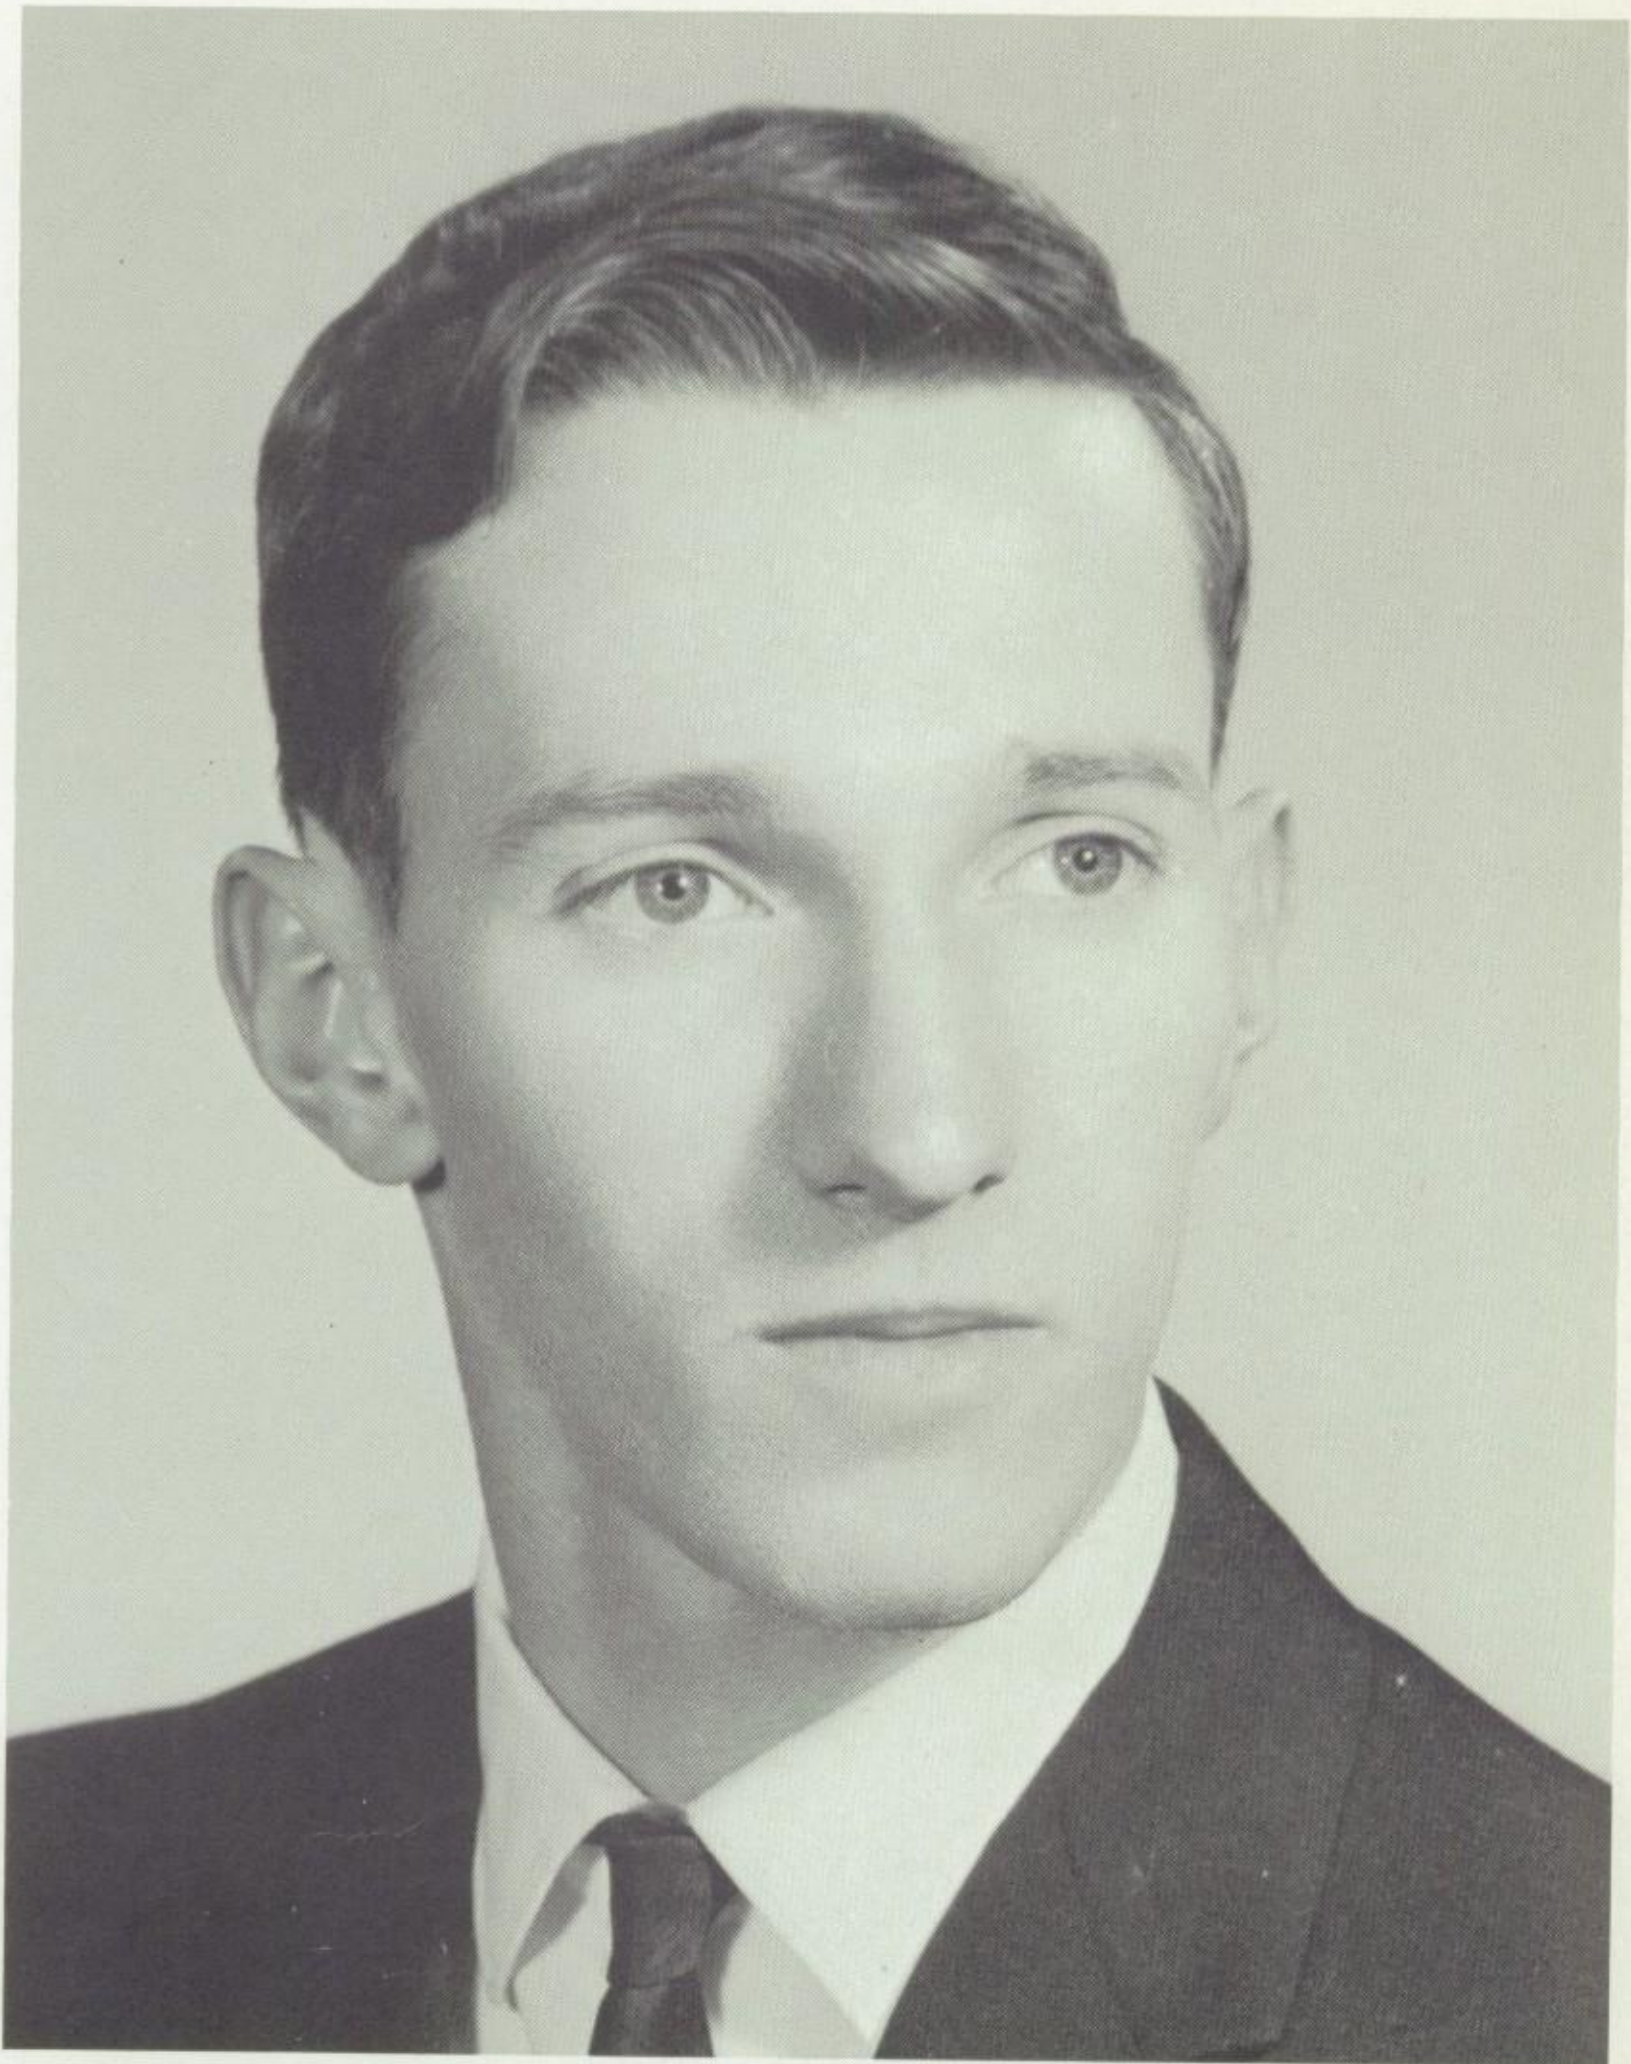

Look not mournfully to the past--it comes not back again; wisely improve the present--it is thine; go forth to meet the shadowy future without fear, and with a manly heart.

The AFTERTHOUGHT staff would like to thank everyone who cooperated and helped in any way to produce this yearbook.

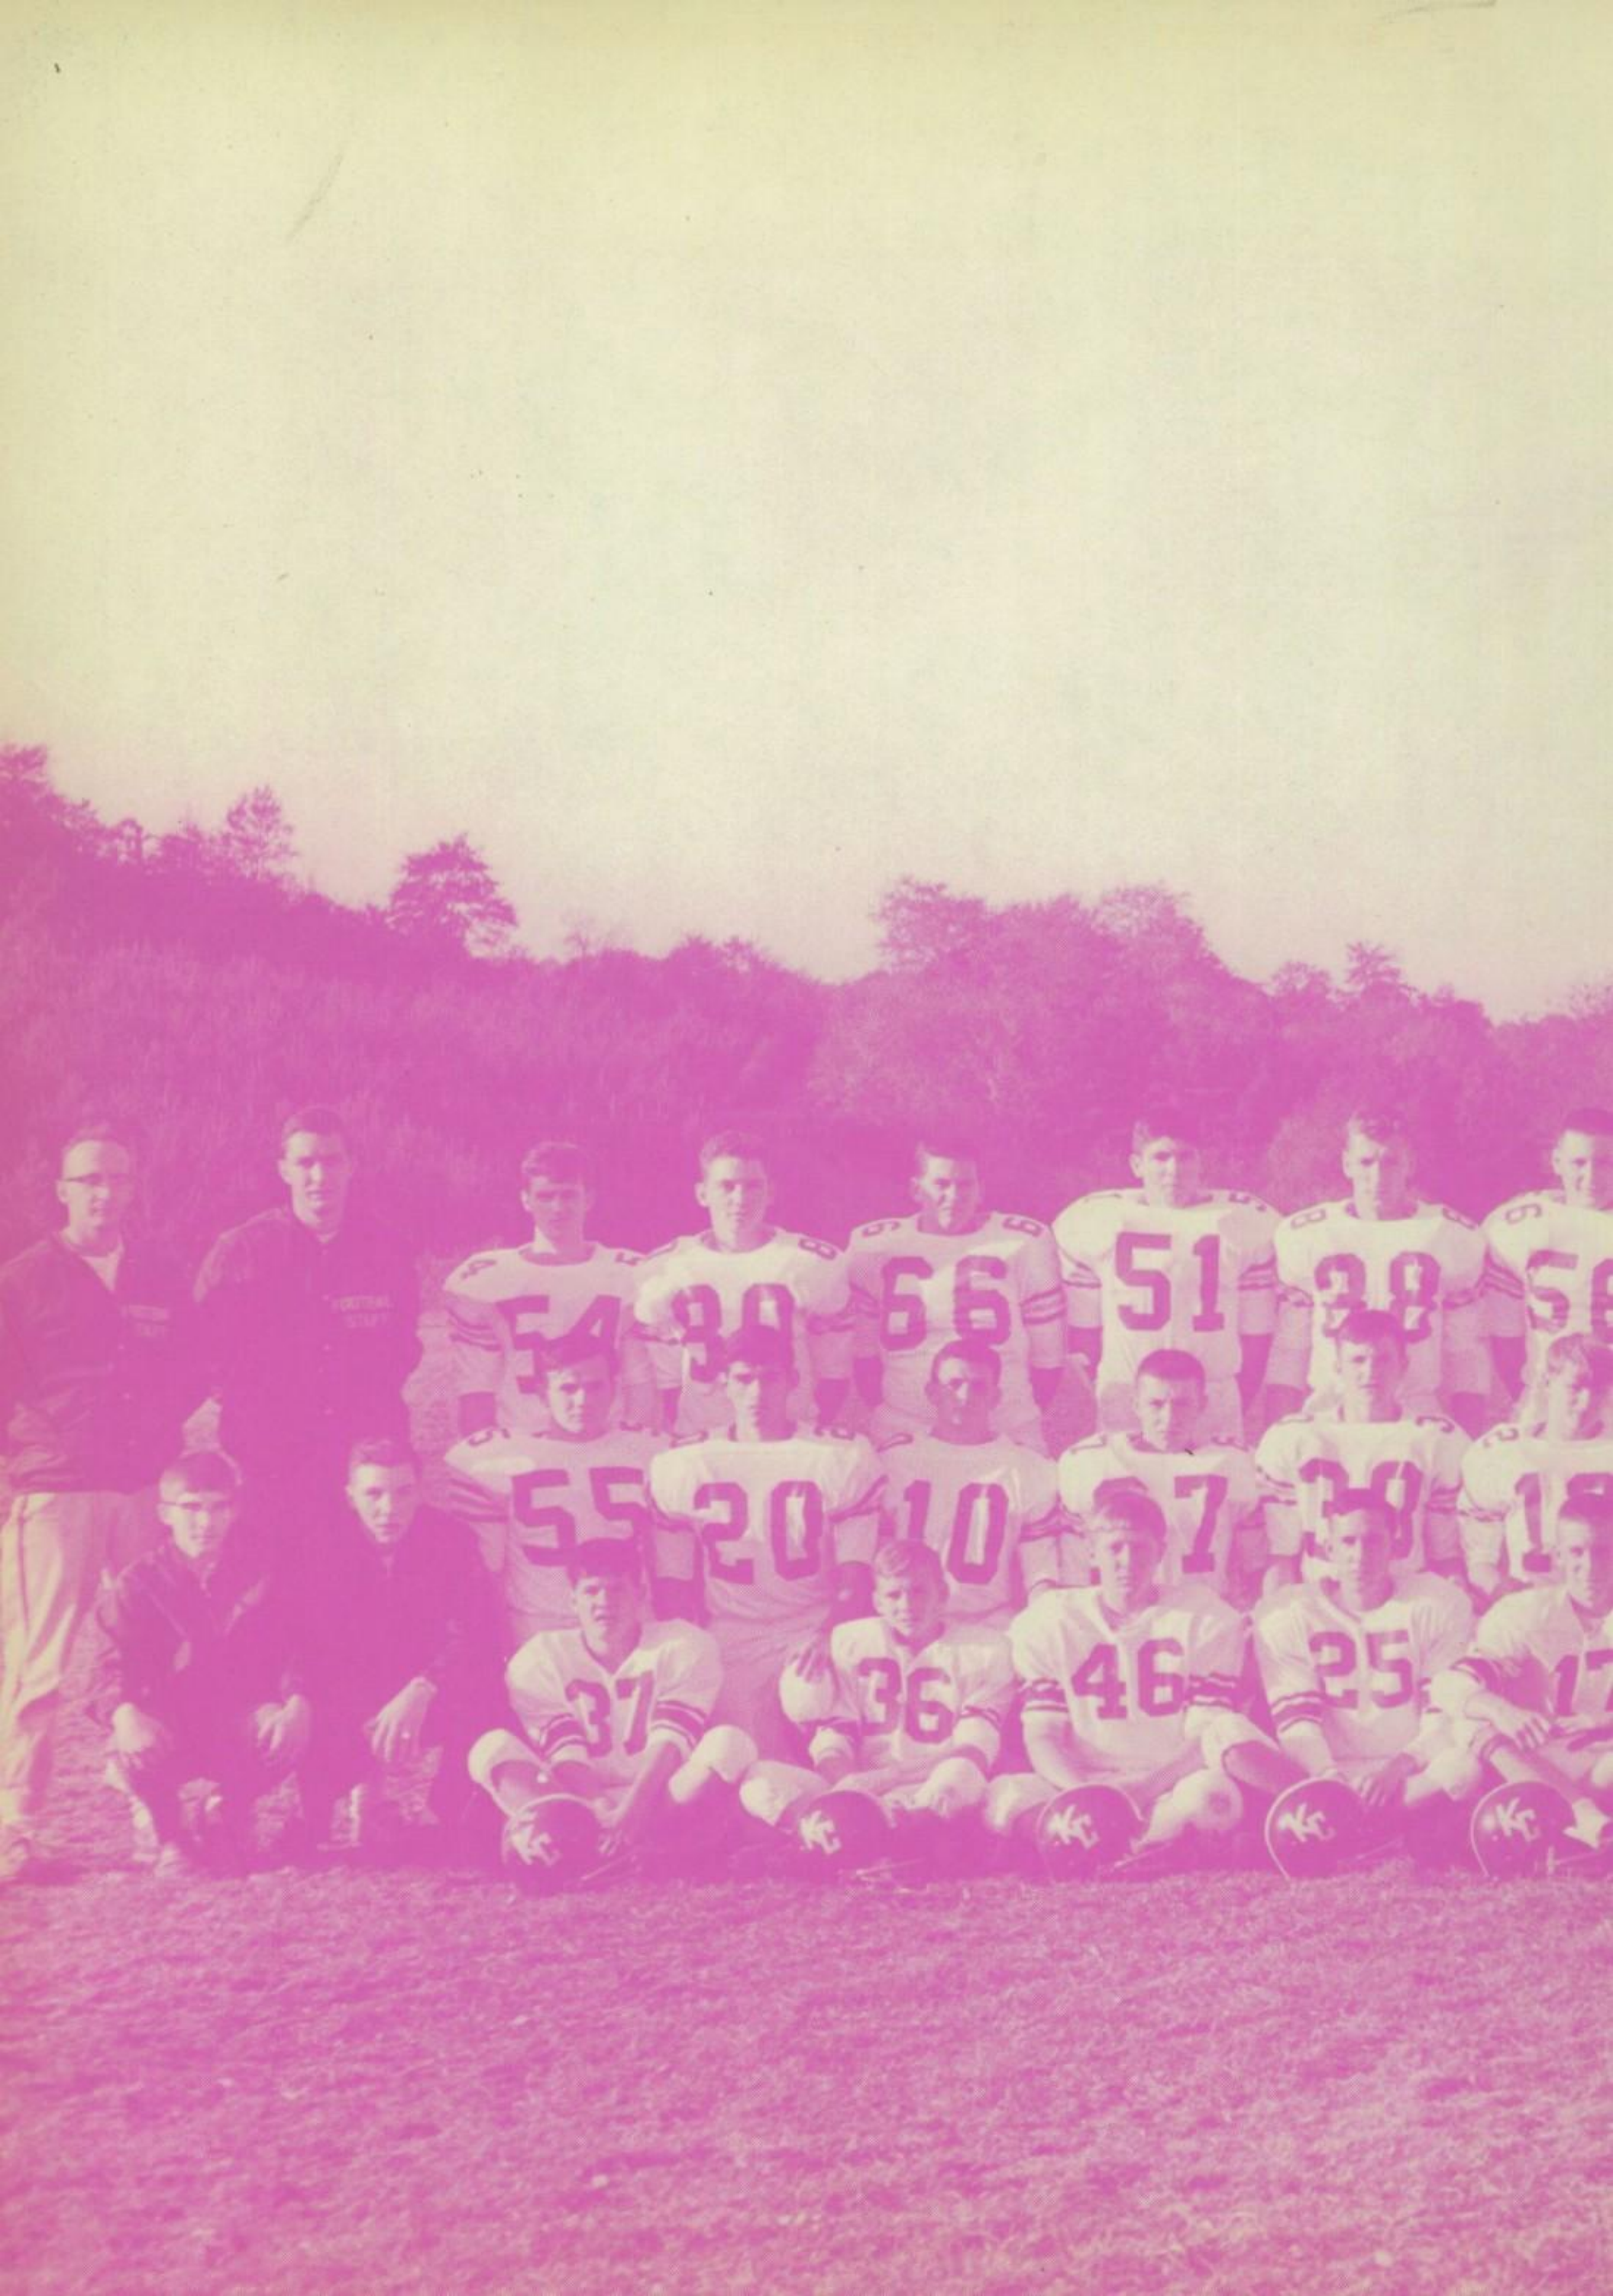

IN MEMORIAM

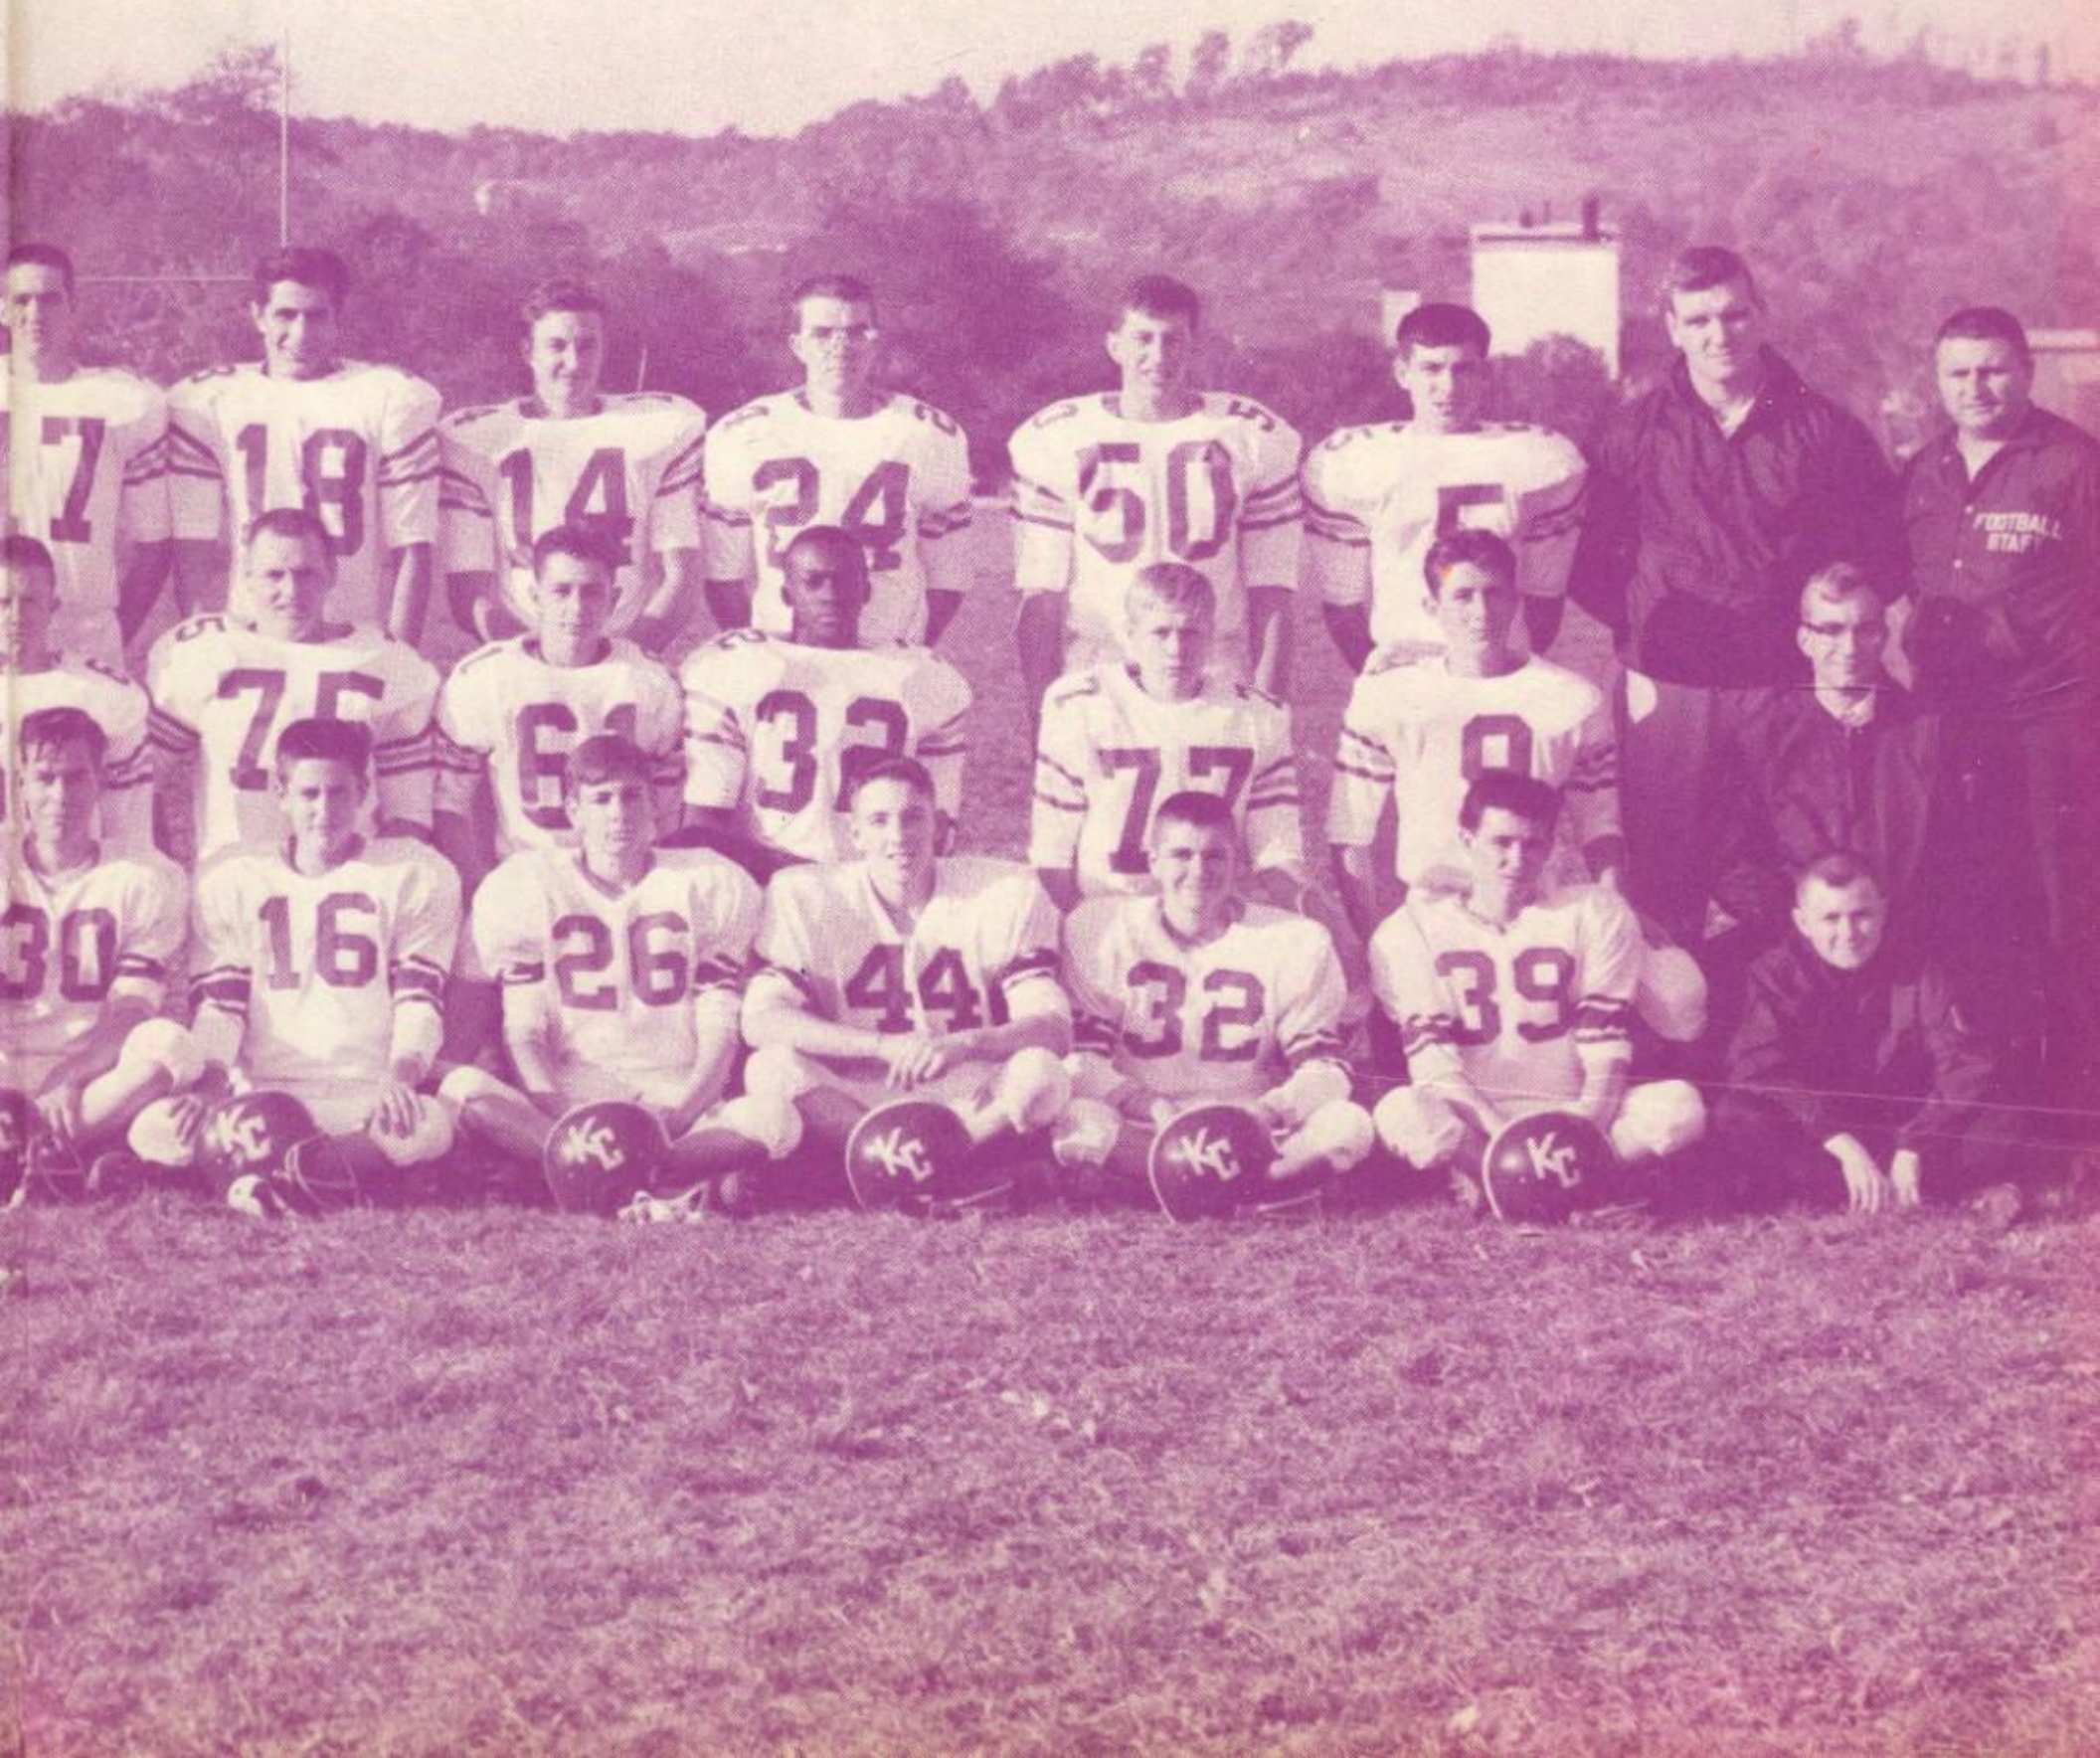

DENNIS SHEAKLY

He shall not grow old, as
we that are left grow old:
Age shall not weary him, nor
the years condemn.
At the going down of the sunland
In the morning
We will remember him.

In memory of Dennis Sheakley, a former classmate, whose friendship the Graduating Class of 1966 will always cherish.
